

# BIGGER POWER. FASTER EXTRACTION. LESS MAINTENANCE.

The **POWER YOU NEED** for effective flood extraction.

The Big Gulp series truckmount extractors are purpose-built for fast extraction, simplified operation and uncompromised performance.

## BIG GULP 3500

**Maximum power in a compact size.**

- Industrial-grade components with proven reliability
- Fewer maintenance requirements than typical truckmounts
- Dual vacuum ports, one 2" and one 2½", allow two techs to extract with one machine.
- A 4-inch exhaust port virtually eliminates back pressure on vacuum system to maximize performance
- Vacuum gauge and hour meter for monitoring job progress and tracking maintenance.
- Optional auto pump-out waste disposal system – delivers up to 37 gpm for high-speed pumpout
- Covered under Sapphire's exclusive two year parts and labor warranty.

## BIG GULP 4500

**The Ultimate Truckmount extractor**

- Three vac ports. Two 2" and one 2 1/2" for multiple tool operation.
- Simple, pushbutton operation
- More vacuum power with up to 700 CFM and 13" Hg
- Lower maintenance than typical truckmounts
- Includes auto pump-out system, capable of 37 GPM.

MODEL	Big Gulp 3500	Big Gulp 4500
POWERPLANT		Air-cooled gasoline engine
VACUUM PUMP	Gardner Denver TriFlow® 408 tri-lobe blower. Vacuum at 13 in. Hg and flows up to 500 CFM.	Gardner Denver TriFlow® 410 tri-lobe blower. Vacuum at 13 in. Hg and flows up to 700 CFM.
VACUUM PORTS	Two	Three
AUTOMATIC PUMPOUT	OPTIONAL. Jabsco self-priming with electromagnetic clutch drive. Delivers up to 37 GPM.	STANDARD. Jabsco self-priming with electromagnetic clutch drive. Delivers up to 37 GPM.
DIMENSIONS (W × H × L)	20 x 39 x 60 in.   51 x 99 x 152 cm	
RECOVERY TANK	120 gal. TIG-welded 3/16 in. marine-grade aluminum. 100 gal. at shutoff.	
FRAME CONSTRUCTION	MIG-welded 1/8 in. × 2 in. powder-coated steel box tubing	
FEATURES	Belt driven   Powered belt cooling system	
STANDARD EQUIPMENT	<ul style="list-style-type: none"> <li>• One 50 ft. section of 2 in. vacuum hose</li> <li>• One 50 ft. section of 2½ in. vacuum hose with reducer cuff</li> <li>• One 25 ft. section of layflat hose for pumpout. (With the 72-3501BB only.)</li> </ul>	<ul style="list-style-type: none"> <li>• One 50 ft. section of 2 in. vacuum hose</li> <li>• One 50 ft. section of 2½ in. vacuum hose with reducer cuff</li> <li>• One 25 ft. section of layflat hose for pumpout.</li> <li>• Automatic pumpout: Jabsco self-priming with electromagnetic clutch drive. Delivers up to 37 GPM.</li> </ul>
WARRANTY	Covered under Sapphire's exclusive two year parts and labor warranty.
